

VOLUNTEER POLICY

The Port Orford Public Library District (POLD) welcomes community volunteers and provides several opportunities in which their assistance is integral to running the library. Volunteers have been a vital part of the library's operation since its founding and remain a valued resource.

Adult Volunteers

- The library utilizes its volunteers to enhance public service to the community. Volunteers work on a wide variety of routine library tasks and special projects.
- Volunteers are selected based on their qualifications and the needs of the Library at any given time. Persons interested in volunteering are requested to fill out a volunteer application.
- Volunteers will be given a job description that outlines qualifications, duties, and training requirements. Volunteers are expected to take directions from the supervisor who is responsible for their work and may be removed by that supervisor. Identification badges are provided and should be worn by all volunteers.
- Work schedules and specific time commitments are arranged individually by each volunteer and the supervisor. Volunteers who cannot meet a scheduled work assignment should inform their supervisor in advance.
- Volunteers must follow the POLD employment process in order to obtain paid employment should a position be open.
- If an adult volunteer will be working in the Youth Services Department, the Library requires a background check.

Special Volunteer Programs

Court assigned community service. POLD accepts Port Orford area residents for court assigned community service based on the needs of the Library at any given time. Applicants are screened by Library staff and assigned to various tasks based on their skills and library needs. Training, supervision, and scheduling follow the policies stated above.

VOLUNTEER POLICY

Youth Volunteers. POLD accepts youth volunteers aged 12 and up to help with the summer reading program, weekly programs through the school year, and other projects.
